Thank You!

On behalf of the Board, we would like to recognize and thank Kevin Kriesel for his many years of service. He has been an active Board member for 17 plus years, 13 ½ in the Secretary position. Kevin plans on remaining active with the club (trap shooting and volunteering as time permits).

The work on the new Youth Firearms Building is complete. This building will house supplies to be used for youth firearm training.

Volunteers Get It Done!

Recent storms caused a bit of tree damage around the Club. Thank you to the volunteers who came out to get the archery range shaped up in time for the 3-D Shoots.

Upcoming shoots are scheduled for July 17 and August 21st. Come out and join this fun event!

Lots of happy faces at youth day...
